

Northern Tier Buy Fresh Buy Local is a chapter of the FoodRoutes Network (FoodRoutes.org) a Tioga County-based nonprofit organization that coordinates the Buy Fresh Buy Local campaign nationally and provides technical support to community groups working across the country. The statewide program partner is PASA, (the PA Association for Sustainable Agriculture).

The program was designed to increase demand, consumption and production of local foods - thus providing healthier food for all and supporting local agriculture. Improving access to local food through farmers markets, CSA's farm stands and other direct market opportunities is essential to this cause, as is encouraging the continuation and expansion of local agriculture.
